2. Documents concerning the extension of validity of the bid or the Security Deposit;
3. Documents which are requested in writing by KPJB for the bid evaluation.

1.3.6 Exceptions to ITB

1. If there are deviations and exceptions from the ITB, the bidder has to submit commercial and technical terms respectively in accordance with the format of ITB Part IV. Otherwise, bidder will be regarded as having accepted all commercial and technical terms. If KPJB regards deviations and exceptions proposed by the bid as a major issue based on KPJB assessment, it can be ground for rejection of the bid.
2. If the bidder takes exception to the Technical Specifications as provided in Chapter II of the ITB, he/she shall itemize the differences with sufficient explanation to enable KPJB to evaluate the suitability of the exceptions.
3. Deviations and exceptions to Article 2.6.1 and 2.6.2 of this ITB for price bidding are not permitted.

1.3.7 Alternative

1. The bidder is encouraged to submit an alternative when he/she considers the alternative to be an improvement or more economical. The alternative shall be prepared in such a manner that it can be easily distinguished from the main bid, and that all alternative matters, including prices, shall be stated therein with sufficient explanation as to the benefits of these alternatives. The alternative shall be submitted and will be treated under the same requirements and procedure as that of the main bid.
2. KPJB will select a successful bidder according to the evaluation result of the main bid.
3. In the event that a successful bidder has proposed the alternative bid, KPJB has the right to negotiate either the main bid or alternative bid for the Contract.

1.3.8 Validity of Bid

The bid, including the Price, shall be bound as a firm offer and valid unconditionally for a period of **two (2) months** after the closing date for receiving the bid document. In case that KPJB requests the bidder to change some contents of his/her bid in connection with bid evaluation or contract negotiation, KPJB's request shall not be regarded as a rejection of the bid. KPJB, if necessary, may request the bidder to extend the validity of the bid.

1.3.9 Contradiction of ITB or Bid

In the event that any contradictory or conflicting statement or figures in the ITB or the bids are found, those which treat an issue in more specific detail and greater depth shall prevail, unless otherwise clarified by KPJB or the bidder. If the bidder has questions about the meaning or interpretation of any part of the ITB, he/she may request KPJB's clarification in writing. KPJB will not be responsible for any verbal commitment.

1.3.10 Reference Data

Any publications, data or information included for reference in the bid shall not be considered as the contents of the official bid, unless otherwise commented upon by the bidder.

1.3.11 Signature or Affixing a Seal

The bid shall be signed by a duly authorized representative or sealed by the company or business firm seal, and the power of attorney or a certificate of a seal impression shall be attached thereto.

However, the signature of the person who is to be mandated can be accepted for the foreign bidders, in case that the company or business firm seal and the power of attorney are attached to the bid.

1.4 Bid Evaluation and Contract Award

1.4.1 Criteria and Procedure of Bid Evaluation

KPJB will fairly evaluate the bid in terms of the criteria and procedure set forth in Section 2 Special Instruction of the Chapter I, and if necessary, internal regulations or procedure of KPJB.

1.4.2 Principle of not opening the contents of Bid Evaluation

The bid evaluation will be performed by KPJB and/or other entities designated by KPJB. The result of the bid evaluation made by KPJB shall be final and conclusive, and KPJB is not obliged to open to the public the matters concerning the evaluation unless required under the Government Procurement Regulation.

1.4.3 Clarification of Bid

KPJB may request the bidder to clarify the contents of the bid by letter, email or through a meeting during the bid evaluation.

1.4.4 Decision on the first negotiable Bidder

In case where the competitive bidding is effectuated by one (1) valid bidder or more, KPJB will decide as the first negotiable bidder the person whose bid meets the essential requirements of the ITB and is the most advantageous to KPJB.

1.4.5 Contract Negotiations and the Award of the Contract

1. If it is deemed necessary, KPJB shall have the right to open the contract negotiations including the contract price with the first negotiable bidder. In such a case, if the result of the negotiations is satisfactory to KPJB, the first negotiable bidder will be the successful bidder who is awarded the contract, but, if the result of the negotiations with the first negotiable bidder is not satisfactory, KPJB may proceed in the negotiations with the next placed bidder without any liabilities to the first negotiable bidder.
2. KPJB is entitled to adjust scope of supply, technical specifications, contract conditions and contract price during the negotiation period.
3. The successful bidder shall submit the required documents for entering into a contract and a list breaking down the calculations for a contract price within three (3) days after being informed of having been awarded the contract and enter into a contract by signing contract within five (5) days after being informed of having been awarded the contract. However, if the successful bidder cannot enter into a contract due to incidents of Force Majeure or cases which KPJB deems acceptable, those days where such incidents occurred shall not be calculated.
4. The bidder who is applicable under above, shall submit the Performance Bond for a contract and the required documents to KPJB not later than contract signing date.
5. If KPJB issues a written Authorization to Proceed (ATP) to Contractor with respect to all or part of the Work hereunder prior to the effective date of the contract, all provisions hereof shall apply to the Work to the extent of such ATP, and Work shall be deemed to have been performed under the contract.

3.1 The Contract documents consist of the P/O including the document attached thereto and this GTC. In case of any inconsistency between them, the P/O shall govern.

3.2 All documents and communications hereunder shall be in Bilingual (English language and Bahasa Indonesia) or English language.

Article 4 – General Provisions

- 4.1 The trade terms shall be subject to INCOTERMS 2000 and its amendments, unless otherwise provided in the contract.
- 4.2 The number of days shall be calculated based on the actual calendar days including Saturdays, Sundays and official holidays in Indonesia, and if any specific day falls on Saturday, Sunday or a holiday, the day shall be postponed to the immediately following business day.
- 4.3 The Equipment and/or Services to be provided hereunder shall conform to the applicable laws, regulations, codes, standards and the specifications hereof. Supplier shall provide the new and unused products suitable in all respects for the purposes intended herein and shall use the best possible design and engineering. The specifications not adequately described herein shall be in accordance with the best commercial practices.
- 4.4 Supplier shall be fully responsible for the work performed by its Sub-supplier.
- 4.5 All fittings necessary to complete the Equipment shall be provided by Supplier at no additional charge beyond the price specified in the P/O. No additional payment for ancillary items shall be made unless such items and prices thereof have been authorized by PT. KPJB in the P/O.

Article 5 – Interpretation

In the event of any disagreement between the Parties with respect to the provisions of the Contract, the interpretation of PT. KPJB shall govern, until an arbitration award is rendered in accordance with Article 15.

Article 6 – Terms of Payment

- 6.1 The P/O price specified in the P/O is fixed and is not subject to price fluctuations.
- 6.2 The P/O price shall be paid by means of bank account transfer or telegraphic transfer (T/T) or irrevocable letter of credit (L/C), as agreed to between the Parties, to Supplier against the Supplier's presentations of certificate of delivery of equipment or certificate of completion of work for local procurement, or the following transport documents for the foreign procurement:
- Commercial Invoice: one (1) original and three (3) copies.
- Clean on Board Ocean Vessel Bill of Lading or Air Waybill consigned to PT. KPJB : one (1) full set of original and three (3) copies
- Packing List : one (1) full set of original and three (3) copies
- Certificate of Manufacturer's Final Inspection : one (1) original and three (3) copies, not applicable
- Certificate of Origin : one (1) original and three (3) copies, not applicable
- Freight Forwarder's Certificate of receipt : one (1) original and three (3) copies, not applicable
- Other documents as required by the P/O.
- 6.3 In case of T/T payment for foreign procurement, Supplier shall promptly send the transport documents listed above to PT. KPJB and the payment shall be made within thirty (30) days after the delivery date, unless otherwise provided herein.

6.4 In case L/C payment, Supplier shall submit the original copy of the transport documents listed above to the bank according to the L/C conditions and the copies of them shall be sent to PT. KPJB promptly. One (1) copy of the above documents shall be additionally enclosed in each package of the Equipment.

6.5 In case of Bank Account Transfer Payment for local procurement, the payment will be made by PT. KPJB within fourteen (14) days after invoice received by PT. KPJB after delivery or work completion.

6.6 Unless otherwise provided in the P/O, supplier shall bear any kind of banking charges and other expenses incurred in connection with the payment.

Article 7 – Delivery Terms and Shipment

7.1 Unless otherwise provided in the P/O, the delivery of the Equipment shall be effected hereunder in terms of Delivery to the designated place of the Power Plant site for local procurement, or FCA named place by PT. KPJB or a freight forwarder selected by PT. KPJB for the foreign procurement.

Supplier shall arrange shipment of the Equipment through PT. KPJB's freight Forwarder, if Supplier fails to do so and excess expenses are incurred to PT. KPJB thereby, he/she shall reimburse such expenses within thirty (30) days after PT. KPJB's request for payment.

7.2 Supplier shall notify PT. KPJB and the freight forwarder of delivery or shipping readiness by telefax or by any other official letter at the latest fifteen (15) days prior to readiness so that PT. KPJB may arrange the shipment and insurance coverage. Such notice shall include a port of loading, shipping items, total tonnage, cubic measurement, invoice amount and expected delivery date.

7.3 For foreign procurement, Supplier shall pack the Equipment in accordance with the best export-packing practices to prevent physical and environmental damage. Supplier shall be liable for any loss or damages caused by inadequate packing.

7.4 Any proper handling caution marks or instructions and the following information shall be durably marked on the surface of the package.

Consignee (PT. KPJB) and Consigner (supplier Name)

P/O No. and L/C No. (if applicable)

Port of Export and Destination

Item No. and Description specified in the P/O and Quantity

Net and Gross Weight and Cubic Measurement

Origin

Caution Marks such as Fragile (if applicable)

Material Safety Data Sheets (MSDS) and other related document for Hazardous material.

Other Markings as required.

7.5 Unless requested or approved by PT. KPJB, Supplier shall not deliver the Equipment early than one (1) month prior to the delivery schedule hereunder. In case of a breach thereof, PT. KPJB is entitled to delay the payment or claim interest to Supplier if already paid by L/C.

Article 8 – Liquidated Damages for Delayed Delivery

8.1 In the event that, for reasons attributable to Supplier and not excusable under Article 11, the delivery of any item of the Equipment is delayed beyond the delivery date provided in the P/O, Supplier shall pay liquidated damages to PT. KPJB, not as a penalty, in an amount of zero point one (0.1) percent of total contract amount for each day of delay unless otherwise provided in the P/O. The liquidated damages shall not exceed five (5) percent of the total P/O price.

8.2 PT. KPJB is entitled to deduct liquidated damages from any payment due supplier.

Article 9 – Performance Bond (if applicable)

9.1 Unless exempted by the P/O or approved by PT. KPJB, within twenty (20) days after the effective date of the P/O, Supplier shall establish a performance bond in favor of PT. KPJB in a form of a bank guarantee, certified check or irrevocable clean credit in an amount not less than ten (10) percent of the P/O price. The bond shall be valid until one (1) month after the expiry date of the warranty period or any extension thereof as provided in Article 10.

9.2 The bond shall be an absolute and unconditional guarantee and payable to PT. KPJB forthwith on PT. KPJB's simple demand of payment in the event that Supplier fails or refuses to promptly cure any default of its obligations hereunder.

9.3 A performance bond is not required on the following conditions

- Purchase Order amount is below IDR 500,000,000 or its equivalent currencies

Article 10 – Warranty

10.1 Supplier shall warrant that the Equipment and/or Services provided hereunder are free from defect in design, materials, workmanship, packing, title and patent. This warranty shall remain valid until twelve (12) months after the actual delivery date.

10.2 Upon receipt of PT. KPJB's notice of any defect, Supplier shall promptly correct the defect by repair, replacement, modification and/or reperformance at its own cost including transportation charges, duties, labor costs and removal costs incurred by such correction.

10.3 In the event that PT. KPJB decides not to correct or partially correct the defect, Supplier shall refund an equitable amount to PT. KPJB through mutual agreement.

10.4 If supplier fails to correct the defect as provided herein, PT. KPJB may reject the defective Equipment and procure the similar equipment elsewhere. In such event, Supplier shall return the amount paid by PT. KPJB and be liable for any excess costs incurred by PT. KPJB for such procurement.

10.5 The warranty period for the Equipment or Services corrected shall be extended by twelve (12) months from the completion date of such correction.

10.6 The warranties provided herein are exclusive and no other warranties shall apply.

Article 11 – Liabilities

11.1 Supplier shall be liable to and indemnify PT. KPJB for any injuries to person or property and, at its own expense, defend and hold PT. KPJB harmless against and from any claims or court actions raised by a third party, arising in connection with the performance of the Contract, to the extent they are derived from any fault, negligence, omission or willful action of Supplier or Sub-supplier.

11.2 Supplier's total liability for all claims hereunder, except those based on the title and patent infringement, shall not exceed the total P/O price.

11.3 Supplier shall not be liable for consequential or indirect damages.

Article 12 – Quality Assurance and Inspection

12.1 Supplier shall maintain a quality assurance program and be responsible for the testing and inspection of the equipment, at its own cost, in accordance with the applicable codes and standards and the requirement hereunder. Supplier shall retain quality – related records for the minimum retention period as required by the applicable codes and standards.

12.2 Supplier's inspection of the Equipment is to be final, unless otherwise provided in the P/O. However, PT. KPJB reserves the right to inspect the Equipment and/or witness the testing upon reasonable advance notice to Supplier.

12.3 Supplier shall deliver the Equipment which has complied with testing and inspection and issue a duly signed certificate of inspection for the Equipment.

Article 13 – Taxes

13.1 The Contractor shall be responsible for the payment of all Taxes, fees and assessments imposed or assessed by all local, state or national government authorities outside the Republic of Indonesia.

13.2 Company shall pay all taxes levied by local, state or national government authorities inside the Republic of Indonesia in connection with the performance of the Work under this Contract.

13.3 Each Party shall furnish to the other Party such information, notices, filings and receipts relating to taxes and duties as the other Party may reasonably request.

13.4 Supplier shall be fully responsible for submitting the copy of tax payment evidence (SSP) for this P/O payment not later than 60 days after invoicing document received by KPJB. If not submitted by the supplier until due date of tax payment evidence (SSP) submission, the supplier will be blacklisted and not be allowed to participate in any future bidding and/or procurement processed by KPJB.

Article 14 – Force Majeure

14.1 Neither Party shall be responsible to the other Party for failure or delay to perform all or any part of the Contract due to force majeure events beyond the reasonable control and without the fault or negligence of the affected Party such as (i) acts of God (ii) acts of the government or the public enemy (iii) fires (iv) floods (v) epidemics (vi) quarantine restrictions (vii) freight embargoes (viii) strikes or (ix) unusually severe weather. In such event, the affected Party is entitled to such extension of time to fulfill its obligations as may be reasonably necessary in the circumstances as agreed to between the Parties.

14.2 The affected Party shall promptly notify in writing the other Party of occurrence of the force majeure event with the documents proving its occurrence.

14.3 If the Force Majeure event continues for sixty (60) days or more, then either party may terminate the Contract in whole or in part, and both parties shall settle outstanding liabilities, except for any claims of either party in connection with the termination.

Article 15 – Termination

15.1 PT. KPJB may terminate the contract, in whole or in part, if;

The liquidated damages to be imposed under Article 8 aggregate to ten (10) percent of the total P/O price and work is not expected to be completed within the schedule hereunder; or

Supplier materially fails to perform any of its obligations hereunder and does not cure the default promptly.

15.2 In such event, PT. KPJB may procure similar equipment or services from another vendor and Supplier shall be liable to PT. KPJB for the excess costs incurred by such procurement.

15.3 The rights and remedies of PT. KPJB in this Article shall be in addition to any other rights and remedies hereunder.

Article 16 – Arbitration

All disputes, controversies or differences which may arise between the Parties, out of or in connection with the Contract, or for the breach thereof, shall be finally settled by arbitration in Jakarta, Indonesia in accordance with the Commercial Arbitration Rules of the Indonesian Commercial Arbitration Board and under the law of Republic of Indonesia.

The award rendered by the arbitrator(s) shall be final and binding upon the Parties.

Article 17 – Governing Law

The contract shall be governed and interpreted by the laws of the Republic of Indonesia.

12.1 Supplier shall maintain a quality assurance program and be responsible for the testing and inspection of the equipment, at its own cost, in accordance with the applicable codes and standards and the requirement hereunder. Supplier shall retain quality – related records for the minimum retention period as required by the applicable codes and standards.

12.2 Supplier's inspection of the Equipment is to be final, unless otherwise provided in the P/O. However, PT. KPJB reserves the right to inspect the Equipment and/or witness the testing upon reasonable advance notice to Supplier.

12.3 Supplier shall deliver the Equipment which has complied with testing and inspection and issue a duly signed certificate of inspection for the Equipment.

Article 13 – Taxes

13.1 The Contractor shall be responsible for the payment of all Taxes, fees and assessments imposed or assessed by all local, state or national government authorities outside the Republic of Indonesia.

13.2 Company shall pay all taxes levied by local, state or national government authorities inside the Republic of Indonesia in connection with the performance of the Work under this Contract.

13.3 Each Party shall furnish to the other Party such information, notices, filings and receipts relating to taxes and duties as the other Party may reasonably request.

13.4 Supplier shall be fully responsible for submitting the copy of tax payment evidence (SSP) for this P/O payment not later than 60 days after invoicing document received by KPJB. If not submitted by the supplier until due date of tax payment evidence (SSP) submission, the supplier will be blacklisted and not be allowed to participate in any future bidding and/or procurement processed by KPJB.

Article 14 – Force Majeure

14.1 Neither Party shall be responsible to the other Party for failure or delay to perform all or any part of the Contract due to force majeure events beyond the reasonable control and without the fault or negligence of the affected Party such as (i) acts of God (ii) acts of the government or the public enemy (iii) fires (iv) floods (v) epidemics (vi) quarantine restrictions (vii) freight embargoes (viii) strikes or (ix) unusually severe weather. In such event, the affected Party is entitled to such extension of time to fulfill its obligations as may be reasonably necessary in the circumstances as agreed to between the Parties.

14.2 The affected Party shall promptly notify in writing the other Party of occurrence of the force majeure event with the documents proving its occurrence.

14.3 If the Force Majeure event continues for sixty (60) days or more, then either party may terminate the Contract in whole or in part, and both parties shall settle outstanding liabilities, except for any claims of either party in connection with the termination.

Article 15 – Termination

15.1 PT. KPJB may terminate the contract, in whole or in part, if;

- A. The liquidated damages to be imposed under Article 8 aggregate to five (5) percent of the total P/O price and work is not expected to be completed within the schedule hereunder; or
- B. Supplier materially fails to perform any of its obligations hereunder and does not cure the default promptly.
- C. If delivery time and/or work completion date exceeds more than 50 calendar days delay or if the penalty amount has exceeded the Performance Bond amount, then:
- D. PT. KPJB can terminate the PO or Contract unilaterally, and the Performance Bond will be redeemed and the supplier will be proposed in the blacklist supplier, or
- E. KPJB can be consider giving the supplier as additional opportunity to complete the deliver and/or the work, but a maximum penalty for delay will be imposed on the supplier.

15.2 In such event, PT. KPJB may procure similar equipment or services from another vendor and Supplier shall be liable to PT. KPJB for the excess costs incurred by such procurement.

15.3 The rights and remedies of PT. KPJB in this Article shall be in addition to any other rights and remedies hereunder.

Article 16 – Arbitration

All disputes, controversies or differences which may arise between the Parties, out of or in connection with the Contract, or for the breach thereof, shall be finally settled by arbitration in Jakarta, Indonesia in accordance with the Commercial Arbitration Rules of the Indonesian Commercial Arbitration Board and under the law of Republic of Indonesia.

The award rendered by the arbitrator(s) shall be final and binding upon the Parties.

Article 17 – Governing Law

The contract shall be governed and interpreted by the laws of the Republic of Indonesia.

1. Background

To support maintenance work, consumables are required. So far, the purchase of consumables is done once a year. This purchasing model is less effective because the actual needs are not always the same as the planned annual needs.

Purchasing consumables with a long-term service agreement model is more effective than purchasing on an annual basis. Consumable purchases can be made several times a year according to the needs and stated in one contract.

2. Purpose

- Provide consumables to support maintenance work.
- Make purchases of consumables many times in one year with the same contract.

3. Consumable data

List of consumables is attached.

4. Budget Plan

Required budget

Description : long-term service agreement for electrical consumables.

Period : Until consume all quantity and/or in the end of this year 31 December 2025

Budget Code : 300100 (consumable)

Description	Unit	Qty
